

Shiona McGeachie

Project Rachel

ROMANIA

Shiona McGeachie is a volunteer with the children's charity Project Rachel, working in the Gorj region of Romania. Project Rachel is a Christian charity, established over seven years ago, to help meet the physical, intellectual, emotional and spiritual needs, of some of the neediest children, in the area.

Shiona, a qualified Nursery Nurse and NVQ Assessor, with over 20 years child care experience, is currently the manager of Rachel House, the charity's home for abandoned children with special needs, situated in the village of Preajba.

Along with the charity's overseeing UK team of trustees and supporters and with a dedicated Romanian staff and short term volunteers, Shiona provides a loving and stable family environment for the children in their care.

The children have made remarkable progress during the last six year they have lived at Rachel House.

As well as managing Rachel House, Shiona and the Rachel House team, in collaboration with a local church, provide a club for over 30 children and teenagers in the village, regularly visit children with severe disabilities in a recuperation centre and distribute aid to families in need in the area.

All volunteers working with Project Rachel are self funding and therefore we have great pleasure in supporting Shiona financially through our company.
